“ *Dear Bolster family,*

*So sorry about the loss of your dear husband and father. I regret that I never had the opportunity to meet Mr. Bolster but I'm so thankful to have had the nice phone visit with Lucille on January 23 regarding the 1955 Chevrolet station wagon that Mr. Bolster had bought new and that I purchased in August 2009.*

*I'll keep you all in my prayers.##imported-begin##Bill Johnson##imported-end##*

“ So sorry to hear about Leo passing away. I can't tell you the number of times I would hear my dad tell stories about Leo, how he could fix everything and how his heart was always in the right place and he would often help people who weren't able to pay for the work. I'm sure there's some amazing story telling going on in heaven tonight!! Thinking about you and keeping you in my prayers.##imported-begin##Dorothy (Tschida) Tripp##imported-end##
