“ *I'm very sad to read this. Panji taught so many of us so much. She was a wonderful Teacher. This is a huge loss to alot of us.*

“ *Prayers and hugs to Panji's family. I will miss seeing her at ceremonies and powwows. She was my Ojibwemowin teacher at FDL. After I graduated I went into the Army and sent her letters from my basic training. I can only hope she received them. She was a great mentor and friend to us young ones. Her laugh, smile, and pretend scoldings will be forever in my memory<3*

“ I first met Panji when I was in 7th grade that was about '87 or '88. She was my ojibwe teacher @ Fond-du-Lac Ojibwe School. She made it so easy to learn, she's the one who taught me how to bead. She was so funny she always made me feel like a friend and not just a teacher/student. She always had a smile for everyone and was one of the sweetest women I knew. I'm so grateful to have met her and it's going to be hard knowing that I won't see her anymore. Panji you were loved, and you will be missed. To the Gahbow family, I'm so sorry for your loss.

“ I met Panji shortly after I started working for the Mille Lacs Band. She taught me how to make fry bread, and was always joking with us in the kitchen. I will miss her smiling face around school and the community. Hugs to all her family!!!

Jim and Judy Kovarik have many fond memories of Panji when we were at NayAhShing. She was so special in so many ways. Our hearts are still with you all. We try to get to powwows. Only place I have been where the Head of State greeted me with a hug! Rock on, Melanie - and all youse dear to us folks.
