“ Kim, Mike, Nancy, Jerry, and all of your families. We are heartbroken at the loss of Loretta. She was truly a daily inspiration with everything she went through. We know the burden you all endured was immense. Remember she is now at peace and is no longer suffering. I can imagine what kind of a reunion she and my mom have had now that they are together again. My mother loved her like she was one of her sisters. Not a day goes by that I don't think about my mother and I'm sure it will be the same for all of you. Try and reflect on the happier moments of her life rather than the suffering she had in the end. God bless Loretta and all of you.##imported-begin##Tammy (Welle) Koetter##imported-end##
