“ Lori worked with us for a number of years and was such a delight! She always left such cheery notes and visited with my 81 year old Mom who stays with us occasionally. My cat Cornelious (AKA Cornie) LOVED Lori so much and we joked about it with her all the time because he was just crazy about her. I came home one day to her cheery note and there was a P.S. that said - by the way - Cornie was very stand-offish today, as if he had hurt her feelings. I laughed and recently told her about this again. I still have her note. We love you Lori and will miss you so very much! Julie Brooks and Keith Soderlund.
