“Gloria, Michelle, Dwayne, and Rocky,
So sorry for your loss I remember that woman
would give me so much shit! N how her name
fir me was always "Blackie" lol. Never did she
call me anything other than n she made sure
that it stuck. Because low Key I still get called that n it's like
damn..... My girlfriend's momma started that name fir me I didn't pay
much attention to it but now it's going to carry a special place in my
heart. I wish I would have known she was falling I'll but not having
any contact for some years it's hard to let someone know n I
understand that. I know she lives a good life n have 3 of the most
CRAZY (well not crazy but funniest) kids I ever met. N when we
would go out n get a bit twisted who always got in trouble (yep me)
n to this day I still don't know why. But it was fun sometimes except
when I got in mega trouble. That wasn't fun by no means. But yeah I
was just reading the obituaries n seen this it broke my heart. I will
try to make it to the service. If not Gloria can you please dm me so
we can get back in contact. Thank you . Praying for all of you and
the extended families in this time of need. RIP MOMMA LOUISE.
LOVE YOU SAY HI TO MY MOMMA FOR ME PLEASE.

Gloria,
I'm sure you will I just have to put in my phone or find a calendar to
make the notice visible. But I do want to say my final goodbyes n pay
respects to u all . Again I'm so sorry . It's so hard I know as my mom
has been gone since 2012. But hopefully we can catch up on things
there it's not the best place but that seems to be where you always run
into people you haven't seen I'm so many years. LOVE you.
