“ *Dear Loretta, I am so very sorry to see you lost your mother. I guess growing up in Freedhem, I didn't realize at the time that Carmen was your uncle. You didn't live too far "up the road," but I certainly remember you and your family. I also remember your Mom at Thrifty Drug. I also worked at Munsingwear for a short time, but I don't think it was the same time your Mother did. My deepest sympathy to you and your family. May God be with you at this difficult time.
