

Lynne Louise Hofstadter

July 4, 1942 - August 10, 2024

Lynne Hofstadter went to heaven on August 10, 2024. Our parents and only brother passed before her. Left to cherish her memory and always love her, are her 3 sisters, brothers-in-law, nieces, nephews, cousins, friends, and many throughout her community. Seeing her drive her blue Pontiac Firebird is now a memory. She now walks a different river path. Per Lynne's wishes, there will be no funeral services. Caring for Lynne and her family is the Shelley Funeral Chapel in Little Falls, MN.

“ I worked with Lynne for many years at the bank and we became good friends. We always sent each other Christmas cards and when I didn't receive one I wondered. I was so saddened to read of her passing and wondering what caused her death. I realize it's been 4 months since her passing but would appreciate if someone reads this they would email me what her cause of death was. Lynne was always the picture of health and lived life to the fullest. My email address is: barbwire55810@gmail.com

“ My condolences to Lynne's family. I knew Lynne for 30 or so years. We worked at Northern City Bank/First Bank/US Bank together. We did Paint-a-thons for neighborhood seniors, It was such fun. She and her mother came to visit us in Lake City. We kept in touch by a phone appointment every month or 2. I will miss you so much my friend.

Corrine. I worked with Lynne too and wondered why her Christmas cards ended. Do you know what her cause of death was?

“ We live across the street from Lynne and enjoyed talking to her. We watched her trim many trees and care for the plants and bushes around her home. She always had kind comments about our yard and how much she liked it, which we appreciated very much. We will miss seeing her around the neighborhood and have enjoyed the time we were able to share.

“ Many years ago Lynn stopped at my house and told me she grew up here. So I gave her a tour and we talked about her memories. And that was the start of our friendship! I'd see her at the Library mostly and we would always chat. I am so sorry for your loss. She was a special lady!!

“ Hello, thoughts of comfort go out to Lynne's family. My mom lived across from Lynne at the townhomes. My mom has since passed, but Lynne became a good friend to her and our to our family. I ran into her many times when she would be out walking- And seeing her leave Coborn's in her beautiful car! Eternal rest unto her!

“ Our warmest thoughts go to her family. Be comforted in knowing she has but abandoned the physical garment and has ascended to the spiritual world.
