“ *I am quite sure that Marilyn was my babysitter in Hopkins back in the early or mid-50's. My dad had ties to Little Falls and Darling and I know that he was friends with Regnells and we had a babysitter for a while whose name was Marilyn Regnell in Hopkins. I even have a picture of her when she was probably 17 years old or so in my childhood scrapbook. Due to our own family ties to Little Falls and Darling I often check the obituaries and noticed hers and I am 99% sure it is the same person, who I have fond memories of. My sympathy to the family. “ So sad to read of Aunt Marilyn’s death. I recall as always being welcoming, happy, smiling and never critical. She was fun to be around and for a little child this was both nurturing and delightful.

“ Marilyn was my favorite aunt. I use to enjoy Christmas time with Kenny, Skipper, Kevin, and Joey. One Summer I worked with them on their ice cream truck. It was a good time.
