“ We have many fond memories of Marge way back when we were all single and having a great time together! From the dances at the 371 Club, Silver Treat and the apartment by the old Train Station. Many other places too. Then we all got married and settled into the adult life. Dick was one of Jerry's (my husband) buddies as they joined the Service on the same day, and each went into different branches. We also had him as a groomsman in our wedding. Oh so many memories, and the great regret is that we lost track of each other over the years. God's Blessing on the Family and much Peace.

“ I worked with Margie many years ago at St. Otto's. What a joy to have known her and the great fun we had in the halls of St. Otto's. She had this great smile and when you knew she was up to something it would show on her face.
RIP Margie your home with your best friend again.
