“ *Oh Mark, my heart aches thinking of not having you to talk with and offer the support for each other. We always had a connection as far back as I can remember. The talks, motorcycle rides, the laughs and best of all were the hugs. You were a gentleman and my family always loved the plate of Christmas cookies you would bring us every year. Thanks for the memories I will forever hold in my heart. You have always owned a piece of my heart that will remain forever yours. May God provide your family peace and comfort throughout their journey with grief. God Bless! Much love always! Judi* ❤️🙏
