“ *So very sorry to hear about Mark. My prayers to you and family, I know he was fighting hard, he loved his family.*

*Mark and I started at “ Farmers Home Administration “ back in 1982. We both were in New Employees Orientation. I had just hired and Mark drove all of us in his huge ( demo derby!) station wagon that week ! I don't think we learned much, but we all became good friends throughout the years. He was a kind and generous man and will miss his laugh!*
