“ I will never forget and am more than thankful for all the great memories with Grandma. From going over to her house on the farm everyday after school playing games and having inappropriate snacks like mountain dew floats. To spending every holiday/birthday with her. She was always a huge part of my life and I am more than blessed to have had her as my grandmother. Her caring heart of gold will be missed by all. She is in a better place now, and I imagine her downhill skiing like the days of her youth and eating spaghetti every night like we used to on our Friday night dinners. We love and miss you. Eric, Vanessa and Brian.
