“ *I so very much enjoyed our Tuesday morning visits when I was a nurse at the Hillman clinic. Bud would bring me a paper & we would have a couple laughs with our coffee. It seems people like that are getting fewer so it was a blessing to have known him.*

“ *Sending hugs and prayers to all who loved Bud, and there are many. He was a wonderful, gentle soul who will be missed. His reward is in heaven with his Catherine, free of pain ... where you can visit with coffee and friends, ice fish when ever you want and the roads will always have that perfect crown! (Or so I hope) I am going to miss your call come July, asking about those raspberries! Bet there will be a bumper crop this year!*
