“ Grandpa, "God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
He knew that you were suffering
He knew you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids
And whispered, 'Peace bethine'.
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home."

Grandpa, We will miss you very much! This is not a Goodbye, we know you are with us each and everyday looking down on each step we take in life. We love you and want you to know that we are always thinking of you and all the memories we have made in the past years. We Love you Grandpa!###imported-begin##Eric, Bethany, Andrew, Austin, Fay, Brady ###imported-end##

“ We never thought that morning, that God was going to call his name. In life we loved him dearly, In death we do the same. It breaks our hearts to lose him, he does did not go alone; for part of us went with him, the day God called him home. He left us peaceful memories his love is still our guide and though we cannot see him, he is always at our side. Our family chain is broken, and nothing will be the same; but as God calls us one by one, the chain will link again.

Goodbyes are not forever, goodbyes are not the end, they simply mean we'll miss him, until we meet again.##imported-begin##Rosie
