“ The ONLY dad I ever knew. From one Paul Marvin to another Marvin, who NEVER EVER left me starvin'! Even though you're gone from this temporary home of ours, your condition is still stable. Firmly established in my heart, going nowhere like I once was until the food was gone from the table. I came into your world unexpectedly, you gave me your name and raised me high in your arms. From day one I was "Doone The Prince" and your BIG boy charm. 24/7 it seemed like you were always on the grind to put food on our plates, which kept me healthy and strong. It was on a daily basis, but seemed like every second you were there to tell me right from wrong. Growing up under your roof and on your clock was absolutely the greatest time frame of my life. After going through rougher frames later, I look back on it now and KNOW that you kept me mentally sharp as a knife. I remember when you and mom had enough, I really couldn't comprehend. At that point I was so numb...I remember feeling like I had lost my best friend. As years quickly went by and I grew older into the young man that I am. There you were again, my lost best friend who was there to explain those things I didn't understand. Now that your soul is gone from this hell hole that we call planet Earth. I want you to know that there is NO price tag to what you meant to me and nothing to compare to what your existence was really worth. My sisters, my brother and I will ALWAYS love you and miss you. At least we can say that we were there through your last days to hold you and kiss you. I'm happy to know that you are now pain free and I will no longer be sad and/or mad. Even though you're gone, my memory and your soul will always remain stable in my heart as MY ONLY DAD! :-(-(-(-) :-)###imported-begin###Paul Marvin Smith###imported-end###
