“ Hi LeBlanc family, I just heard of Mary Kay's passing. I would like you to know from the entire Flavin family how sorry we are, but how honored we were to know your sister, daughter, mother and aunt. Mary Kay held a special place in our hearts, my Father still asks about her and he's been in memory care for the past couple years. When I came as the new kid in town, she treated me like family and helped transition my life to Little Falls and I'm still here. She will be greatly missed.

“ As kids every year our family trip every summer was to visit relatives in Minnesota. We especially loved spending time with our LeBlanc cousins on their farm. One of my fondest memories is of Mary playing her guitar & singing....I thought she was the coolest!!! I know she is now resting easy and singing with angels. My Love & Prayers...Especially to Margie, Susie, Patsy, John & Kiefer.

“ I remember singing Johnny Cash tunes as a kid while Mary would strum her guitar. I remember a special duet I sang with Mary at District 1230 country school. She had a beautiful voice, me...not so much! She had a special sweetness about her that will be missed by all who knew her. May she rest in peace.
