“ *Dina,
I am so sorry to hear of your MOM's death. I only met her once, but I so enjoyed this sweet funny woman! How blessed you were to have her as your MOM...and how blessed she was to have YOU for a daughter. With heartfelt sympathy. Sincerely, Mary Miller*

“ I met Mary when she played for the 4 p.m. Saturday Mass at Our Lady of Lourdes; "Mary Wuellner and friends" providing music for worship like no other choir. Mary - retired - still played for weddings, funerals, the Senior Center, St Otto's, Lutheran Care Center and other activities for years and donated many hours playing for community functions. When asked to be a part of the March Share Sunday organized to raise money for the food shelf, she provided a comical rendition of "Side By Side" (Jeannie Van Heel and I were the singing hobos) as "The Holy Molys". She was a warm-hearted, generous, fun-loving soul who enjoyed being with family and friends and having a good time. I had the privilege of hearing many stories as we rode together to 8:30 Sunday Mass the last 2 years she played for the Senior Choir. I'll always remember her inimitable style of piano playing - no sense in rehearsing, she didn't play a piece the same way two times in a row! We learned to follow her lead, and she rescued us when we missed coming in on time!

Now she is with the heavenly choir, playing her unique renditions of "Amazing Grace" and other favorites for God, Jesus, Mary and all the angels and saints. How blessed they are to have her; she will be missed by those left on earth.

“*Mary was great. She was a co-worker, friend and taught my children to love piano playing and music. I had the pleasure of singing with her as my accompanist many times. She was the best! One of my favorite memories with Mary happened a year ago before Christmas, she sat at her piano at Bridgeway and she and I pulled off an impromptu Christmas music concert and singalong. What fun! God bless you, Mary.*

Those of us who were lucky enough to sing with Mary will miss her talent and the wealth of music that existed in that head and in those fingers. Mary sometimes said that she didn't know a particular song, but she would say, "Start singing it and I'll figure it out." She always did, and often she improved the song. It was an honor to perform with her!
