“ *I can remember meeting lil curly head Matt, he was young, 5 maybe ....even younger I bet. They had just moved into our wonderful neighborhood, Valley Hills in Scandia. There they all were the new neighbors in this BRIGHT PURPLE HOUSE!!! The only one of the kind in that area. Bonnie made it a home, the kids played all my sisters and brothers bonded right away. Duck hunting was big to Timmy, and abe and Matt were on board. I became the babysitter, Bonnie taught piano lessons, Sawn had a horse named Hanna, sister Teri had Rusty, a mean Shetland. I being the older sister received the bigger horse Tornado, don't be fooled by the name he could not move very fast!! We were all happy in our little circle ate and played from morning till night.. I remember Bonnie always canning and freezing food. The boys were inseparable at that age. I will always have a place in my heart for the years at the purple house!! Love you Susie*
