“ Mike was my dear friend. The number of golf games we played, always trying to out do the other, So many laughs, the number of one dollar bills that cross between us as winners and losers in that terrible game we both loved and hated golf. When ever I needed financial help in my military financial decisions he was my go to guy. God bless and help his family through these difficult times. He will be missed at every tee box in my golf future. You got the the honors Mike.. A friend away, Ken Norton.
