“ *I went to school with Michael he was a nice kid. Condolences to his and Darrell's family's. Sorry for your losses in such a short time. We need to remember our maker has better plans for them than we could ever think of. Just know they are watching over everyone trying to let them know never take life for granted it's to short n not everyone gets to say how much they love someone. I knew both Darrell and Mike n I got along with both of them they will be missed. RIP Mike & Darrell.*
