Milo started a career in long haul trucking working with Janesville Auto in Dilworth, MN, until transferring to Janesville, WI, where he lived until retiring in the late 1990's and moved to a farm in Swanville, MN. He enjoyed taking care of his farm yard and growing sweet corn. Milo rented out the remaining crop land to local farmers. In his free time, visiting with family and friends was his favorite. Milo was known to be a great cook, especially his potato sausage. It was not odd to find him with a bowl of ice-cream. He also could be found working on small projects in his wood shop, and helping fix anything else as he was a great handyman that was willing to help others.

“ *We were so very sorry to hear of Milo's passing. He was always so very special. I remember all the times we would pick up my mom and dad and head up to Janesville, and have a potluck up there. Milo was always so good to my parents.*

“ Milo was good to his entire family! The last months of Milo's life were filled with so much hardship and despair.

Milo, thanks for your love and all of the time we spent together! You will be missed! You are a "CLASS ACT!". We can all use you as an example of "Dignity", "Honesty" and "Integrity"! You fought so hard to get your life back! You are the "Strongest" person I will ever know!

Say hello to Grandma for me. And have some great conversations with God and pick some sweet corn for all of the heavenly people with you.

Love Craig

I don't know if you will ever see this- I've tried to find you on Facebook but couldn't. My sister and I were heartbroken to hear of Milo's passing. He loved you SO VERY MUCH! He spoke about you all the time. I'm so glad that we had gotten to spend time with him before all of this covid nonsense. Milo & my Dad (Bill Hanson) were roommates in Janesville, they owned a trailer together. Milo was a part of our family for as long as I can remember. He was a wonderful man! I'm hoping this message finds you thru Facebook, but if not.. my name is Rebecca Nelson, and my address is 509 E. Oak Street, Glenwood City, WI 54013. My sister and I would love to hear from you!

“ My condolences to the family . I remember The day we we had a family gathering out at his farm 20 years or more ago . I remember him coming to my dads house and visiting and showing us his red dump bed truck and wished I had one like that . I remember coming out to the farm to pick raspberries with Dorothy Strom when I was really young . I remember at gathering he would hand out white gloves that he had from hauling cars . Most of my time I spent at Milos I was really young and now I wish I would have known him better . My father always talked good about him .

“ I met you 34 years ago Milo, I just moved into my dad's trailer with Jason. Remember? You thought I was the paper boy 😊. You told me I should get a degree so I could give Jason a better life. If it weren't for you I wouldn't be where I am today. I would get home from work at 2 am and if I saw your lights on I would go over to your trailer just to give you a hard time. We sure had some great conversations. You had so much wisdom. I will always remember the flannel shirts you wore in the winter and white T-shirts in the summer. We used to have the best barbecue's in the summer. I am going to miss you.
