“ To Naomi's family:

Naomi had a kind heart and positive attitude. She made life fun and very interesting. She was not afraid to say what she thought..... both good and bad -- you always got it straight from Naomi....., or to humble herself and to show her love and kindness to anyone - even strangers. She will be missed by all.

May you find comfort in each other, and my prayers are with you all.

“ *To Aaron and family - No words no matter how tender can touch what you're feeling inside. No one can soften the sordeep down where your heartaches reside. I'm thinking about you and your family!*
