“❤️

I would give my life to have you back said his Mom.

I know you would said the son.

❤️

I cry each night for you said his Mom.

And I catch all your tears said her son.

❤️

I pray for the day that I can see you again said his Mom.

Close your eyes and you can see me said her son...

You are the first person who loved me and you are the first person I loved.

You were always there when I needed you

And you always knew when I needed a hug.

I am here for you now Mom

In your heart and in your soul.

I did not take your heart with me...

Instead I left mine with you to have.

One day I will take your hand

And lead you to paradise

But until then my beautiful Mother,

When you want to see me...

You only need to close your eyes...
