“ *Nelda use to bowl with us in Lakeway Lanes in Milaca, MN. She was a sweet great lady. I use to babysit for one of her daughter and we would go out to see her Mother. She was welcoming and a great lady. Nelda is going to be with you in memories and in your hearts. She is up in heaven and she is going to have the best Christmas with Jesus. Our Deepest Sympathy. Our prayers and thoughts are with all the Nelda Sahlstrom family and friends.*

“ *Nelda, my Mom, my friend. My mom taught me compassion, understanding, honesty, kindness, the golden rule, not to judge others but accept all for whom they are. In spite of someone who may hurt you, walk a mile in their shoes before you even think about condemning them, their hurt is great. Be understanding. Work hard, do your best and you will succeed. My Mom accepted all, loved unconditionally and gave her heart and understanding ear to all. Her hugs were as big as her heart. Heaven is singing her praises and opening the pearly gates wide. I am missing my Mom more than any can believe but happy she is breathing, healthy and home with her Heavenly Father.*

“ *Izatys Lodge. The 7 K's. All the friendship of Nelda and being a part of such a great family. The memories are so many and so varied. I am thinking of your family at this time of sadness. Her family was so important and she loved you so much. Your mom was such a great influence on me and on so many that she touched. Cherish the memories!!*

“ Aunt Nelda was a very special lady and we will miss seeing her here on this earth. We were privileged to have known her and she will always have a special place in our hearts and memories. A poem - below - that someone wrote has brought some comfort to many who experience such a loss at this time of year.

*"My First Christmas In Heaven"*

*I see the countless Christmas trees around the world below  
With tiny lights, like Heaven's stars, reflecting on the snow  
The sight is so spectacular, please wipe away the tear  
For I am spending Christmas with Jesus Christ this year.*

*I hear the many Christmas songs that people hold so dear  
But the sounds of music can't compare with the Christmas  
choir up here. I have no words to tell you, the joy their voices  
bring. For it is beyond description, to hear the angels sing.*

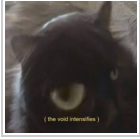

*I know how much you miss me, I see the pain inside your heart  
But I am not so far away, We really aren't apart.  
So be happy for me, dear ones, You know I hold you dear.  
And be glad I'm spending Christmas with Jesus Christ this year.*

*I sent you each a special gift, from my heavenly home above.  
I sent you each a memory of my undying love.  
After all, love is a gift more precious than pure gold.  
It was always most important in the stories Jesus told.*

*Please love and keep each other, as my Father said to do.  
For I can't count the blessing or love he has for each of you.  
So have a Merry Christmas and wipe away that tear  
Remember, I am spending Christmas with Jesus Christ  
this year.*

“ *This was one amazing lady. She helped me graduate high school. Without all her love and support I don't know if I could of did it. Nelda was truly amazing in every way. Heaven gained an amazing angel.*
