Was so saddened to hear this. I had tried off and on over many years to get in contact with her. I met her at the Miss Junior Minnesota Pageant in the late 80's. I enjoyed meeting and spending that time with her. She had such an upbeat personality that just drew me to her. My deepest condolences to her family and everyone who knew her.

“ I worked with Pam in Public Health for a year. April 2006 our house burned down and Pam and family were driving through town. There was a conversation in the car about the burning house without knowing who it belonged to. The next Monday at work Pam and I were talking and she realized it was my house that burned. She shared with me they drove near it and Maddie said, "Should we pray for those people?" That's the kind of person Pam was - she raised her kids with the kindness that was also in her heart. I'll never forget that conversation. Connie Massena
