“ *i did not know Treecy personally, but we had a connection. i was sitting in the same conference room with her at the coborn cancer center learning about the side effects of chemo and all the things htat went hand in hand with treatment. i was drawn to her as i was so very scared that day and i could sense she was too. i remember praying for this woman i did not know. i am so sorry to hear of her passing and will ask God to walk this journey with you and assure you that she is walking at your side through out this difficult time. my deepest sympathy Sheila Gardner, Flensburg##imported-begin##sheila gardner##imported-end##*

“ Dear Bernie and Girls,  
We are so sorry for your loss. We are glad that we were able to attend the benefit for Treecy back in June - we promised to take extra good care of the plant we bought on the silent auction that day in memory of her.
