Pat always had a smile and sure did make a 4th grader feel loved and welcome! She carried that right through to the camp ground with all the friends she made there! Pat was a great lady and will be missed. She was always so concerned about the children she taught and their families. She was a leader in the school and those of us who were fortunate to work with her will remember her fondly as one of the best.

So sad to hear the news of Pat passing. Pat was always such an upbeat, positive, loving and caring person. She is going to be missed by so many of us who were lucky to have her in our lives. May God wrap his loving arms around her family and comfort you in this time of great sorrow.
