“ I remember Patsy was such an adorable little girl. My sisters and I used to play at Don and Margie’s house with Mary, Susie, Patsy and John so many years ago when we all attended country school together. Many good memories.

“ I got to know Patsy in high school , then reunited as nurses at the Lutheran Care Center. She was always upbeat and a smile on her face. Last I saw her was when she stopped over my house for visit this spring, I am glad I got the small amount of time I did to see her. Wishing her the best in her new travels. Patsy you will be missed!
