“ *I work at the Tech College. And Pat was always smiling. If we needed something fixed, repaired, or moved - He would quickly respond and get things done. We were sad when Richard retired and broke up the "R & R Team" - but Patrick filled in quite nicely for his Dad. Richard and family, you have my deepest sympathy and prayers. Ruth Hinnenkamp*

“ *Pat was part of my life, for my entire life and that of my kids. He will be missed beyond measure and the Christmas Eve get togethers and many other events with my wonderful extended family will never be the same without Pat. The laughter will be missed. I know he will be celebrating with the crew that has gone before. May God continue to Bless you all with the many great memories. We love you!*
