June 27, 1938 - January 13, 2016

Peter J. Kedrowski, 77 year old resident of Swanville, MN passed away Wednesday, January 13, 2016 at the St. Otto's Care Center in Little Falls. Mass of Christian Burial will be held at 11:00 A.M. on Saturday, January 23, 2016 at St. John the Baptist Catholic Church in Swanville, MN with Father Ron Dockendorf officiating. A visitation will be held from 9:30-11:00 A.M. on Saturday at the Church.

Peter John Kedrowski was born on June 27, 1938 in Flensburg, Minnesota to the late Peter, Sr. and Rose (Golombiecki) Kedrowski. He was united in marriage to Geraldine Jendro on October 3rd, 1961 in Elmdale, Minnesota. The couple lived in Flensburg for 11 years, before moving to their 40 acre farm near Swanville in August of 1972. Pete was a magician with a welding rod! He could turn bent iron into something beautiful and useful. Wood wasn't a favorite because it could not be stretched. He enjoyed being a grandpa to 4 beautiful granddaughters and 6 great-grandchildren. He loved farming on his small farm, raising beef cows and calves, and driving tractor for his neighbors. Pete totally enjoyed 4-wheeling with the "Heck's Angel's" (We are too old to be Hells Angel's) and finding new adventures and trail riding. Pete also spent time working at Swanville School and working with all the staff and young people on CEP.

He is survived by wife, Geri of Swanville, MN; daughter, Michele (Dan) Elyea;

4 grandchildren and 6 great-grandchildren; brother, Dennis (Sharon) of Royalton, MN; sisters, Eileen (Dan) Pelzer of Flensburg, MN; and Rita (Doug) Pelzer of Brainerd, MN.

Pete was preceded in death by his parents, Peter and Rose Kedrowski; brother and sister-in-law, Gene and Katie Kedrowski.

“Pete and my brother Art used to hang around in their younger years. I remember one time, my brother Art was babysitting me and Pete came over and they wanted to go to the drive-in theater south of Little Falls. But I couldn't be left alone. They had a plan, but it can't be overly expensive. I was told to be quiet and not talk when we got to the cashier - the guys knew me well - Art got into the trunk. I got into the passenger seat in the front and off we went. We got to the drive-in, and the ticket taker had a questioning look on his face, but we got in. Parked, Art got out of the trunk and the back seat was mine for the rest of night. I did more bobbing back and forth around their heads in order to see the movie, much less hear it with all their laughing. Pete spent many hours working on the interior of our old farm house, but he did an awesome job with remodeling. My sympathy to you Gerry and family.
