Quentin enjoyed playing ready-set-go with Nana. swimming and learning how to catch fish at grandma and grandpa Pfeffers. Where you used to be, there is a hole in the world, your happiest days when you could hang out with big sister, Athenia, and big brother, Xavier just to be COOL. “ May your family find strength through its loss of not just one family member but even in the loss through any legal matters. Sarah u were there for me when Devon was hit by the car and you were so understanding I hope to be the same for you. However, I know nothing compares in life as the loss of your own child and only time can heal you. I pray for you ~Luv, Crystal & Boys###imported-begin###Crystal Siltman###imported-end##

“ We never thought that morning, that God was going to call your name. In life we loved you dearly,
In death we do the same.
It breaks our hearts to lose you,
you did not go alone; for part of us went with you, the day God called you home. You left us peaceful memories your love is still our guide
and though we cannot see you
you are always at our side.
Our family chain is broken,
and nothing will be the same;
but as God calls us one by one,
the chain will link again.##imported-begin##Auntie Nikki##imported-end##
