“ I have a lot of good memories going to the Hoheisel house back in the day. Ralph just had a way of making you feel comfortable. I think a lot of it had to do with how he said my name when I would walk in the door. “Well Karen Tschida is here”. It sounded like he was genuinely happy you were there. You guys had a great dad!!!! Your heart will be heavy and slowly lighten up, filling it with great memories. Love to my sister from another mother, Lori, and the 5 boys.
