“ I am so sorry for your great loss. He will be missed so much at Amazing Love. We always looked forward to his visits and missed those visits so much during this shut down. He had so much wisdom to share with everyone. He was such a great jokester. I will always remember him in the pumpkin patch. May you all feel God's abounding comfort at this difficult time.

“ I was so sorry to learn of Ray's passing. I got to know him through Amazing Love and he took the time to teach me the tricks of growing tomatoes. I never achieved his level of success, but I enjoyed my time spent with him. Spring and planting won't be the same without him and I'll miss his visits. He was always so quick to share his plants, produce and wisdom. Rest in peace my gentle friend.
