“ Barb, Naomi and Joy--Glenda and I just recently found out about the passing of Ray and are greatly saddened yet thankful that we were able to share in a small part of your lives as next door neighbors on Gladstone Drive in Virginia Beach! Glenda and I still have the fondest memories of Ray and all of you! We have missed you and were not fully aware of the great challenges you have been going through. Please know that God never gives you more than you can handle and, though we do not understand the many things he does and allows in our lives, he always does what is best in the long run! Ray and I talked about that several times and he certainly bolstered my faith by his steadfastness in his beliefs and outlook--- one only has to see all three of you to understand this--you are a wonderful legacy to his life and love! Ray was a great sailor and an outstanding leader in the Navy. He was my shipmate in spirit and I have a great respect for his dedication to the naval service and this great country! Our bond was the Navy that he so loved and the professional pride he always demonstrated. I feel honored that I can call him a "Brother in Arms"--We had so much in common in our love for the naval service and the men we lead--I only wish that we had been able to serve together--without a doubt I know my back would have been covered! One only has to look at his picture in uniform to know this! In closing, Glenda and I thank you and Ray for your great contributions and sacrifices to the Navy and the United States of America and especially for being such wonderful next door neighbors! May God bless you, Barb, Naomi and Joy, and know that Ray is now at peace and his spirit is beside you forever! CAPT and Mrs Edward Futch, USN (Ret) (Ed & Glenda)

“ *Ray impressed me the first time we met with his quiet, but absolute confidence in his abilities and not only backed it up with matching performance, but exceeded it beyond whatever hints he might have given. I touched base with him now and then over the years, and each time it seemed he had reached new heights. He always spoke lovingly of his family, kindly of his friends, and respectfully of everyone else. Gone too soon, he will be missed. But, in a way, he left a bit of himself in everyone he ever met. May God give Comfort and Blessings to Barb and the rest of the family.*

*To Barb, Naomi, and Joy; Char and Kelly, David, John, Carol Jo, and Emily, students and faculty of Little Falls Schools, and the congregation of 1st Lutheran, Ray was truly an inspiration to everyone in our community, whether you had battled cancer like he did, were inspired by his coaching or had him as a teacher and advisor, or had him as a mentor during confirmation. He shared the journey with us, and shared and kept the faith along the way. Hugs, prayers, and condolences to all of you. I know that I will miss him, and am so very thankful that my life was blessed with his faith and perseverance! Rest in peace, Ray! May Ray rest in the peace of Christ, and may God hold the entire Stumpf Family in the palm of his hand.*

“ Ray always put others in front of himself. He came into my classroom one morning, in the midst of dealing with his own struggles with his cancer, to allow me to cry on his shoulder and grieve the loss of my little brother with him. He was and always will be a strong presence at the middle school and in my heart.

“ ~ *Rest in peace Ray ~*

*"So much of me  
Is made from what I learned from you  
You'll be with me  
Like a handprint on my heart  
And now whatever way our stories end  
I know you have re-written mine  
By being my friend...  
Like a ship blown from its mooring  
By a wind off the sea  
Like a seed dropped by a skybird  
In a distant world  
Who can say if I've been changed for the better?  
But because I knew you  
I have been changed for good"*
