“ Judith told me anout the video, and how nice it was. I am going to look at that next. I know both Jude and mom really wanted to go to the funeral, but they had to take Elmer to the doctor. Jude was really feeling bad because she and mom really wanted to go to the funeral. Elmer was having some mini-stroke symptoms, but I guess his doctor exam checked out good. I hope to get up to Minnesota soon, in the next few weeks, if so, maybe we will be able to get to Sobieski with mom for a visit. Love to all.
