“ We are so sorry for your loss of someone that was SO special. Mourn his passing, but don't be sad because where he has arrived there is no pain, no worry and no regrets!!

You have the most important treasure that he could have given ANYONE and that is your memories of him - no one can take those away and bury them from you.

Lori (Bob and everyone) please feel this "hug" from Arizona, as we feel your sorrow and would like to take a small amount of that sorrow away.

Your father gave the world a gift that can never be duplicated and that gift was YOU and we feel very blessed to have you in our lives.

Please give your whole family, but especially your Mom, our condolences and let us know if there is anything we can do for either of you during this time of grief.

Much Love,
Jann, Anthony and the boys###imported-begin###Jann

“ *Hennes Family I know how difficult these past days/weeks/months have been for all of you while your husband, father, grandfather, great grand father and friend has been ill and in the hospital. Be thankful for the opportunity to say your goodbyes, and prepare for his journey home. I hope that each day will bring you closer to finding peace and joy to replace your sorrow.
