Ricky Charles Turner was born on November 4th, 1958 to George and Arlene (Strack) Turner in Little Falls, MN. He grew up on the family farm in Randall, MN, and lived at home until he was joined in marriage with his wife, Carrie, on June 21st, 1997. Ricky and Carrie moved into Randall, where they spent their lives making memories and having fun.

In 2009, Ricky started his own business, selling barbecue sauce. In the years to follow, he bought a concession trailer and started a catering business, which grew more successful as the years went on. It was a family business,

and Carrie, Rudi, and Skylar were always there working with him. At the end of the day, when all the dishes were being done and everyone was tired from a hard day's work, Ricky would always say, "Home by 9:00!" Many times the day wouldn't quite be done by 9:00, but that didn't matter.

On January 29th, 2019, Ricky was diagnosed with Stage 4 Pancreatic Cancer. He fought this aggressive disease with all that he had, and never once gave up the will to fight. His prognosis said he'd only live 3-6 months after diagnosis; he proved us wrong, and made it nearly 2 years. And those 2 years were wonderful. He lived so much life in those two years, and was proud to have done all the things he was able to do. He loved life, and most importantly, loved his family.

Ricky passed peacefully on January 7th, at 9:00pm, surrounded by his family: wife, Carrie; daughter, Rudi; son-in-law, Skylar; and close friend, Aggie Mahoney, of Omaha, NE. This time, he really did make it "home by 9:00."

Ricky was preceded in death by his father, George, and mother, Arlene. He is remembered and loved by many, and his legacy lives on through many family members and friends, but especially his wife, Carrie Turner of Randall, MN; daughter, Rudi (Skylar) Posusta-Chrast of Holdingford, MN; siblings, Jesse (Cynda) Turner of Randall, MN, Debbie (John) LeMieur of Little Falls, MN, Dennis (Lisa) Turner of Little Falls, MN and Carol (Glen) Salber of Little Falls, MN; many nieces, nephews, and friends.

His favorite Bible verse was one shared and quoted very often, and even got a special place on his catering trailer: John 3:16 "For God so loved the world, that He gave His only son, so that those who believe in Him might not perish, but have eternal life."

Ricky's final wishes were simple: he asked that we not be sad, but instead,

happy, and have a beer on him.

“ *Our sympathy goes to Ricky Turners family. Ricky was a big guy with a big heart.
I remember Ricky working at the Feed Store in Randall. He could throw a 100# sack of feed over his shoulders and literally "run". Ricky was a great deer hunter and was fun to talk with during the hunting season. Ricky was a great Caterer, making the best of chicken and the best of BBQ spare ribs, with his famous "4-Cheeks" BBQ sauce.
May Ricky "Rest In Peace". He will be missed.*

“ To pick one memory is hard when there are so very many. Growing up my best memories were the summers I was able to spend with my cousins. I remember my dad telling Ricky ‘ok Rick, you are in charge of her!’ and boy did he take that seriously:) one night we went bowling and then after out to eat, there was a guy who was not looking at me but at our table because we were so loud and just happy, well Ricky thought he was looking at me and yelled across the restaurant “what the xxxx are you looking at? This is my little cousin, don’t look at her!” He was always so much fun and so wonderful! I love you Ricky. God Bless You always 💙

“ Carrie and family - please accept my deepest sympathies. Ricky was one of a kind. A man that could walk into a room and fill it with laughter and fun. The memories when I was a kid and would go into the creamery with my Dad and the fun sparring that would go on was priceless. The many weddings with Ricky just being a fun goofball and singing "Elijah" in the middle of the dance floor with his arms up high celebrating life! I loved getting the updated years ago in Dr. Colby's office. It's important to keep up on Randall's current events! I ran into him a year or so ago in Jonathan's office and from the big bear hug he gave me the years melted away and we were just kids in Randall having fun again! Celebrate his life because it was one life that is worth celebrating! Big Hugs!
