January 20, 1949 - August 5, 2009

Robert J. 'Bobby' Witucki was born on January 20, 1949 in Little Falls, MN to the late George and Betty (Kronbeck) Witucki. Bobby started working at Employment Enterprises Inc. in March of 1979 and faithfully worked for 29 years. At EEI he performed various jobs such as sorting materials, and working on the recycling truck route. Bobby also worked at the Lutheran Care Center in Little Falls performing janitorial tasks from October 1987 until May of 1988. He also worked for Central Minnesota Tool and Stamping for several years boxing carpentry staples. During this time Bobby worked at EEI's main site in the recycling shop. He also worked at the Morrison County Humane Society where he was able to share his love for animals. Bobby loved singing, dancing and listening to music. He enjoyed the time spent every year deer hunting with his family and friends. Bobby was most proud of the Buck and Doe he got last year during the season. He also enjoyed selling Kettle Corn at various events with his two best friends Eric and Ben Johnson. Bobby was a very kind hearted man, willing to help those around him with whatever task they needed help with. He was greatly loved and will be dearly missed.

You will be greatly missed! Hope you find your way back to  
Grandpa, Grandma and Dad!*

*I will never forget how so many years went by without me seeing you but when I did run into you it didn't matter how many years went by or how different I may have looked between the years you would see me and come running up to me yelling out Shweetie with your arms wide open ready for a huge hug.*

*R.I.P you will be in my heart forever!*

“ We enjoyed seeing Bobby in the neighborhood. He always shared his candy with the kids. He would stop and visit when he saw us outside. He would even joke with us when we saw him at Casey's store. We'll miss his laugh and smile.##imported-begin##Linda Nuehring##imported-end##
