“ *I have known Bob and his family since I was a child; I went to school with his children. In the past few months, I received the pleasure to assist caring for him. Bob was super fun, easy to talk to, very blunt and direct; and I loved that. His dog Pola was his best friend, and she's easy to love. I'm sure she will go to a great home! Bob spoiled her so much, she's definitely part of the family. I do know that Bob missed his late dog, Abbey very much and now I truly believe they are together. Love and miss you, Bob!!
