“ *I just found out about Roger's death. I was a employee at E.E.i., and St. Camillus, for many years. Roger and I had a strong bond. He truly respected Me and I him. I could go on and tell you about the adventures we had, but I wont. Cuz, they are Roger's and mine. When his brother Leonard would pick him up to see his Mother, it was the greatest thing in Roger's eyes. He loved Florence, like no other son could. And he loved Leonard. And he loved ME.... I learned a lot from Roger, and I will always keep him in my heart.*
