“ *Dad (Ron) left to me quotes to live by that I have used my whole life and shared with others. My favorite is "it is better to be thought of as a fool then to open your mouth and remove all doubt. Another is "don't tell me what someone has done to you that is bad, because you might forgive them but I won't. There were many others, some can not be shared. What a wonderful honest down to earth man. I am proud to say that he was my Father.##imported-begin##Terri (Zarns) Frieler##imported-end##*
