“ We share a lots of memories the last 7 years, Poker, video games, movies... It's not always easy to have a roommate. But you were the best. Yippee is missing you already.  
Being the loyal stand up guy you've always been you won everybody over. When they say it's always the good one that leave first, they are talking about you.  
It's time for you to rest my friend. No more work or overtime.  
I hope your family get some peace, all my condolences to all the hunters and all who will miss him.
