“ *Ryan was one of my Best Friends, there was never a dull moment with Ryan around. He was best friends with Mike Pankratz who was my fiance who has been gone for many years God has his hands full with those two, raising hell in heaven. I will always Love and miss him.*

“ It's been a few years, but Ryan and I were very close at one time. Time moved on, and so did we. Life with Ryan around never had a dull moment. We shared some crazy adventures, road trips, laughter, and more than one "what the devil did you do now?". Here are some photos from the times we shared. And yes.. that is Schuett in a dress.. He would be glad he made you all laugh...

“ Ryan n I also dated back in the day. (Many moons ago) very nice man, funny as ever if u were having a bad day u could always look to Ryan. He would do the dumbest yet funniest things to put a smile on ur face. When we dated he would "ALWAYS" PLAY THIS SONG BY THE DIXIE CHICKS AFTER LOOKING AT ME SAYING "I'M UR COWBOY N IM TAKING U AWAY" THE SONG IS CALLED 'COWBOY TAKE ME AWAY'. So sad I had to learn of his death on social media. RIP. Ryan. U give the song lots of meaning n when I hear it from now on I will refer to it as 'Ryans song' much love n hugs.

“ Ryan & I had dated back when I was in my teens for a long time. He would help Lance witucki with his house, paper route, he split wood for him to. I can say when he was not drinking he was a very wonderful man he would give u his shirt off his back! He loved my kids n we did get married February 14, 2007 . He loved to go hunting we did things together like that n visiting grandma n Harvey and Marg helped them with the privacy fence after purchasing the building by the bowling alley. We got divorced but he was my x husband n I still do think of him even after we had our difference in live n got divorced. U will be greatly missed n loved fly man, R.I.P. Brenda Schuett & April Taft. He was a good stepdad any kid could ask he was there for us when our dad couldn't. He was there for us when we needed a shoulder to cry on someone to give support. He gave us memories he was there especially for my lil bro who needed a dad that wanted him. He hated things dirty to where he cleaned the house made sure we kept our rooms clean. He was taking care of 4 kids and we didn't make it easy we were making a lot of trouble for him there was never a dull moment in our house and family.
