Sandra attended Wentworth Elementary School and Frances W. Parker in Chicago, IL. She completed a secretarial training program and had various secretarial positions including as an executive secretary in Chicago, IL and MN. She and her husband owned and operated an archery store and shooting range in Worth, IL and she was an award-winning archer and handgun marksmanship in both the city and state of Illinois. The family moved to MN in 1971 to try their hand at farming. She and her husband moved to Little Falls in 1981. Sandra was quite a little jokester with her famous quips and one-liners. She always had a flower in her hair that matched her outfits and loved to wear fancy socks. She surrounded herself with the things she loved including many knick-knacks of cats, butterflies, and hummingbirds throughout her home. She served the Lord in many ways in the Catholic faith. Her faith kept her strong throughout her illness. The love of her faith was also evident as she surrounded herself with many Roman Catholic icons. Mom loved sewing, baking, crafting, country music and dancing. She participated for many years on a local bowling league. She had a green thumb to be envied and grew roses, peonies, gardenias, and irises, both in Arizona and Minnesota and recently discovered her green thumb extended to orchids. Mom adored her five daughters. Mom will be greatly missed by her daughters, grandchildren, and many friends.
