“ We are very saddened to learn of Sara's passing. My husband has many fond memories of the neighborhood families getting together for cards and other events. Even though I came into the family group later as a spouse, I enjoyed several family gatherings with her company. And even though Sarah would only drive about 35 miles an hour on the highway, we always appreciated that Sarah and Lawrence made the trip all the way to Shakopee for our wedding. Our deepest condolences on this sad day.##imported-begin##Scott and Charlene Ridlon##imported-end##
