On behalf of the Class of 1986 from Little Falls Community High School, I would like to extend my condolences and prayers to the family of Selena Girard Jacobson, our classmate and friend. I was a friend to her, particularly when we were students at Lindbergh Elementary School, and were in the same class together. May Selena rest in peace, and may God hold all of you in the palm of his hand. She will be missed.

“ I worked with Selena for many years. I remember she had to "train" me on a machine that required 2 people to run. We discussed who would run the machine and who would sort, after about 7 or 8 minutes of discussion she finally said to me "you can run the damn thing, this machine hates me", she then smiled and laughed. She always had a matter-of-fact attitude, which was comforting for me! She would glow when she talked about, or even showed pictures of her daughter and granddaughter. Rest in Peace Selena 💖
