“ I want to say to family members, relatives and friends of Peg. I am sorry for you loss, and I know it has been a difficult time these past few years.

Kim I want to thank you for being so good to your Mom and taking care of her as long as you could at your home, and assisting her with making sure she was taken care of by the nursing home she was in and arranging it all. It is a task and time consuming. Thank you to your family as well for supporting you in such a difficult time.

Julie, I can't thank you enough for making and taking the time to fly with Jorgen to see his mom last fall. You truly are so sensitive, loving, kind, and generous financially, and with your time. Thank you for always being there for Jorgen.

I hope Danniell was able to make it but with this weather, he probably won't be able to get there. Say hi to Danniell as well.

Peg Tveit, such a beautiful kind spirited Lady. I always enjoyed visiting with her. She always had a forgiving heart, and loved unconditionally. She trusted in God as well and now can rest in peace and run free in heaven. Will miss you Peg.

“ Shirley Tveit was a very loving woman who babysat my children for years and we became so close that my children all called her "Aunt Peggy" and "Uncle Chris." She was my best friend. I am comforted knowing that I will see her again with our loving Savior. Her faith was a testimony of the love of God. I will always cherish our time together and I will always miss her happiness, her giggles and positive outlook on life. Donna

Peggy was a wonderful Godly woman who was artistic, friendly and loved everyone! She spread Joy and the love of Jesus to everyone! I have many fond memories of our times together: Bible studie, lunches, walking and sharing "good times and not such good times"; she was a special friend and left a positive impact on all who knew her. Peggy will be missed but NEVER forgotten. I love you girl and look forward to seeing you in Heaven.
