“ *Dear Sisters,
My heart aches for you at the death of dear Sister Aggie. For her, peace beyond words. For us, loss beyond words. Who among us that was touched with her gentle smile, quiet manner and life giving hands isn't left longing to share one more time in her presence. Gratefully our faith tells us we can, only at a different level. May that faith be your strength and source of healing as you surrender to God's plan for her and you and all who were blessed to have known her.
With deep & heartfelt sympathy,
