“ When I started in Member Services back in 1989, Stan was one of the first field guys I met. Been with LOL for almost 19 years now and I still remember how helpful he always was to me. He will be greatly missed.##imported-begin##Becki Shaffer##imported-end##

“ Our sincerest sympathy for the loss of Stan. When we lived next door to Stan and Darlene, he always had a kind work and was a concerned and helpful neighbor. My kids loved him and loved his easy going manner.
You are in our prayers,

“ *My condolences to all of the Hanna family. Stan worked with me at our local co-op, facilitating mergers and working with business planning. He was as sincere and dedicated an individual as I have known. I will miss him as many others will also. My wife Connie told me that he treated her as a friend and she always appreciated that.*
