“ *So sorry to hear of your loss. I met Steve at the Orthopedics when he was my therapist for both hip and one knee replacements. He made me work hard but it didn't seem so bad because he'd talk to me and tell me stories while I worked out. I always had to let him know when we had freshly canned sauerkraut so he could get some. He was a very kind man and I'm so glad I had the chance to know him. Bonnie Bilharz*

“ Alice and family... I am so sorry to hear of Steve's passing. We have been praying for him in our kindergarten class every morning through Ella's intentions. He was so impactful for me through both of my knee surgeries... I know for a fact I wouldn't have recovered so well if it hadn't been for his kind but very thorough plan for me. He always spoke so loving of all the nieces and nephews who got to come to the lake and hang out with you.

He will be missed. You are in my prayers.
